Diagram for note e' (E1). The staff shows a bass clef with a whole note on the first line, labeled e'. The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves.

Diagram for note f' (F1). The staff shows a bass clef with a whole note on the second line, labeled f'. The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves.

Diagram for notes f# (F#1) and g \flat (G \flat 1). The staff shows a bass clef with a whole note on the second line, labeled f# and g \flat . The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves.

Diagram for note g (G1). The staff shows a bass clef with a whole note on the second space, labeled g. The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves.

Diagram for notes g# (G#1) and a \flat (A \flat 1). The staff shows a bass clef with a whole note on the second space, labeled g# and a \flat . The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves. The text "alternatief greep" is written in red above the valves.

Diagram for note a (A1). The staff shows a bass clef with a whole note on the third line, labeled a. The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves.

Diagram for notes a# (A#1) and b \flat (B \flat 1). The staff shows a bass clef with a whole note on the third space, labeled a# and b \flat . The fingering below shows the left hand (L) on the first valve and the right hand (R) on the second, third, and fourth valves.
